# Gower Gardens

Residential Care Home

Kent Road, Halesowen

Gower Gardens is a brand new purpose built home located on Kent Road in Halesowen, close to many local amenities. This specially designed, dementia friendly home offers the highest quality of residential care in a stylish and homely environment.

Black Country Care has strong values of integrity, positivity, respect and quality. We deliver care through these values by supporting people to live full lives with dignity and respect.

Our professional staff team are highly trained and dedicated carers who take the time to listen and support individuals in a safe environment, promoting personal choice and independence.

## Gower Gardens offers:

- 24 hour high quality residential care
- 66 state-of-the-art bedrooms equipped with en-suite facilities including wet rooms
- Flat screen TV, Freeview, DVD player, mini fridge and phone points in all bedrooms
- Delightful landscaped sensory gardens including seating areas for sunny days
- Contemporary on-site hairdressing facilities and café area plus Wifi throughout

**Gower Gardens is a place to feel at home, relax, enjoy the community, take part in stimulating activities and meet new friends.**
